RAY HAMILTON COMPANY

High Value Products

- Complex Financial Equipment
- Expensive IT and Data Center
- Large Industrial Machinery
- Office and Retail Furniture and Fixtures

Ray Hamilton Company has been providing expert relocation services since 1892. Part of the reason the company has thrived for so long is the fact that no other logistics provider can be as adept at handling such a wide variety of high value products with a consistent level of safety, security and reliability.

Whether it's dock-to dock or white-glove delivery; Our customers know that there is one name to trust with the logistics of their high value products...
