

RH RAY HAMILTON COMPANY *Specialized Logistics Professionals*

FINALLY A CORPORATE RELOCATION SOLUTION THAT SAVES TIME & MONEY:

According to IFMA (International Facilities Management Association), the average office relocation takes over 100 hours of project management time to plan and costs an average of \$700 per associate. Ray Hamilton has developed a Corporate (MAC) Program to reduce your time in managing and reduce the cost associated with needed professional services.

Our **Comprehensive Corporate (MAC) Program** focuses on what's important to you:

- Reduces planning time and executes a successful office relocation by an average of 25%.
- Reduces expenditure of professional services need by an average of 20%.
- Guarantees quality of service and response time.

RH MAC SERVICE INCLUDES:

- Nationwide Coverage (Over 100 Offices)
- Single point of contact
- Detailed management reports
- Complete project life cycle management
- Offers comprehensive professional services
- Customized agreement with corporate discounting

Ray Hamilton has over 120 years of service. We have the knowledge and resources to improve how you manage your relocation projects and reduce the overall costs. With Ray Hamilton as your corporate relocation partner, you can turn you MAC program into an efficient cost-effective program that will reduce the downtime for your associates and your current overall expenditure.
